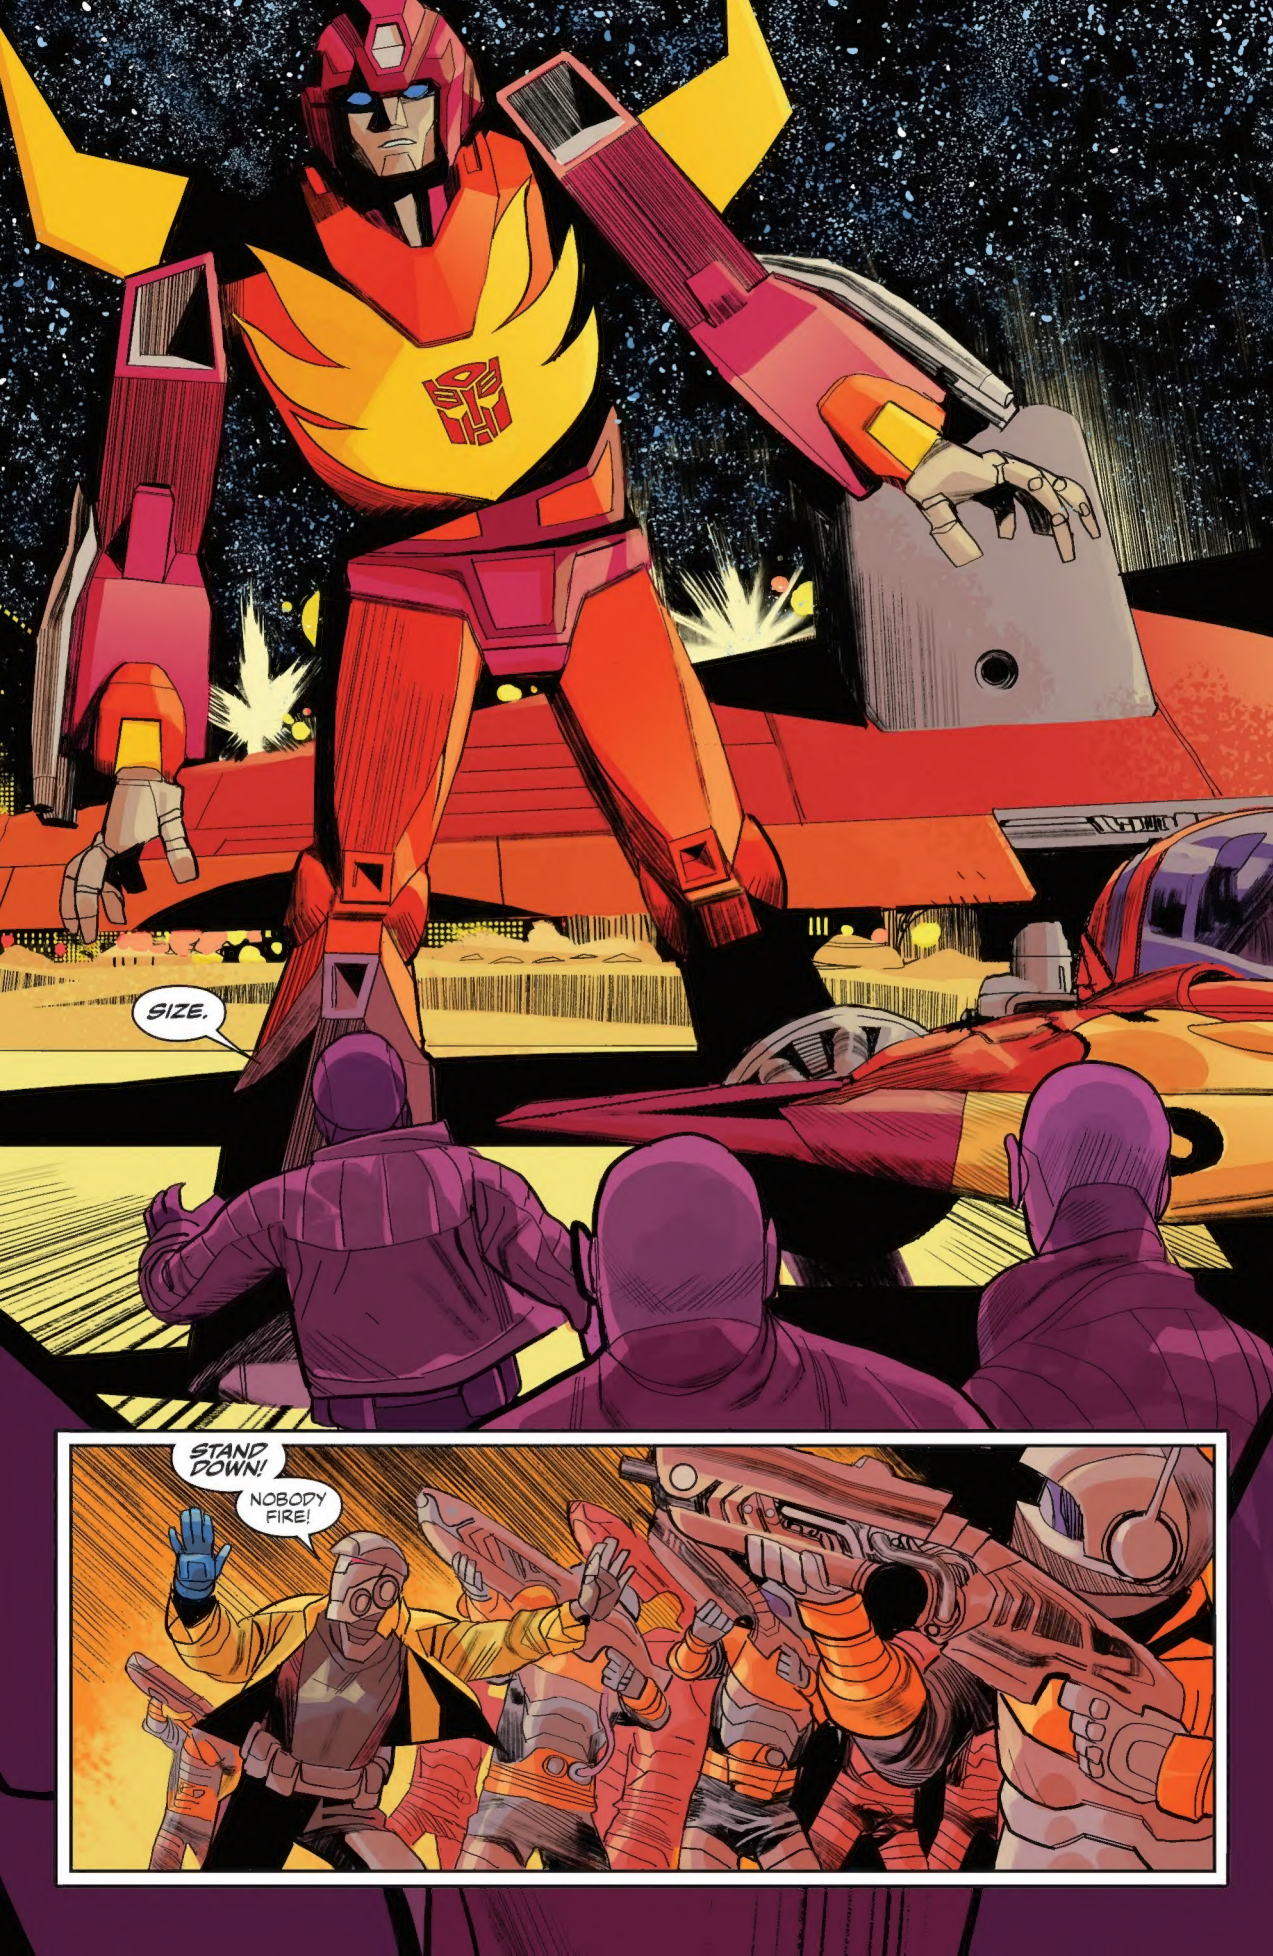
WHAT OF THE SHIP WE WERE TRACKING?
IT IS OF NO CONCERN TO US NOW. THIS NEW DISCOVERY IS OUR MAIN PRIORITY. THE LONG RUMORED LABORS OF SHE WHO WILL NOT BE NAMED HAVE BEEN CONFIRMED TO EXIST.
WE MUST RETURN TO QUINTESSA IMMEDIATELY. I WISH TO DELIVER THIS NEWS TO THE COUNCIL IN PERSON.
THERE IS MUCH PLANNING AND PREPARATION TO DO. SET COURSE BEFORE OUR PRESENCE IS DETECTED.
YES, SIR. SETTING COURSE FOR QUINTESSA, AT ONCE.

GRAKULA? HOW DO YOU FAIR?
I AM WELL, PYTHONA. I HAVE SUSTAINED NO LASTING INJURIES. I REGRET TO ADMIT IT, BUT I WAS MORE OR LESS JUST... STARTLED BY THE INCIDENT.
ALTHOUGH, I CAN'T ESCAPE THE FEELING SOMETHING'S NOT RIGHT. I CAN FEEL IT IN MY ARMOR, WAVES... PULSES... TRAVELING THROUGH IT.
WHATEVER THAT WAS, MY ARMOR PROTECTED ME FROM IT... BUT I FEAR...
IT DID SO AT GREAT COST TO ITSELF.
NOW THAT YOU SAY SOMETHING, IT DOES APPEAR...
SOMEHOW... OFF.

AKRONUS.
I NEED YOU TO HELP ME KEEP A CLOSE EYE ON GRAKULA.
CERTAINLY, MISTRESS.
COULD YOU TELL ME WHAT I AM MEANT TO BE MONITORING?
HER ARMOR RECEIVED AN IMMENSE BLAST OF UNKNOWN RADIATION. IT APPEARS CHANGED, IF ONLY SLIGHTLY SO.
YOU HAVE A KEEN EYE. I WOULD APPRECIATE YOU HELPING ME MONITOR IF THOSE EFFECTS SPREAD TO GRAKULA IN ANY WAY.
UNDERSTOOD.
BY GOLOBULUS'S GLORY, IT WILL BE DONE.
KRAGOOM
WHAT IS THIS?!

WHAT TASTY MORSEL HAS FALLEN INTO MY WEB?
SUCH AN UNUSUAL VESSEL MUST HOUSE UNTOLD TREASURES!
THE WIFE AND KIDS ARE GOING TO BE EATING GOOD TONIGHT!

AGORRIA.
WHY IS THERE AN ARMED ESCORT HERE? I SAID HE'S FRIENDLY.
THEY'RE ONLY HERE FOR SECURITY PURPOSES.
YEAH, BUT THEY'RE ALL GOING TO BE ALARMED BY HIS--



SIZE.
STAND DOWN!
NOBODY FIRE!

GREETINGS, PEOPLE OF... WHEREVER THIS IS.
I AM **HOT ROD**, I HAIL FROM PLANET CYBERTRON... WHICH IS FAR ENOUGH AWAY FROM HERE THAT YOU'VE MOST LIKELY NEVER HEARD OF IT.
AND JUDGING BY YOUR REACTIONS FROM **SEEING** ME...
WHY HAVE YOU COME HERE, STRANGER?
I'VE LEFT A DIRE SITUATION ON MY HOMEWORLD TO LOCATE A FRIEND, LONG THOUGHT LOST. HE SET OUT ON A JOURNEY TO CONFIRM ONE OF OUR MYTHS SOME TIME AGO.
I BELIEVE IT LEAD HIM **HERE.**
I ASSURE YOU, IF THERE WERE ANY OF YOUR KIND THAT HAD EVER BEEN HERE, STRANGE ONE... I WOULD KNOW.
...

CH-CHIK-CH C-II

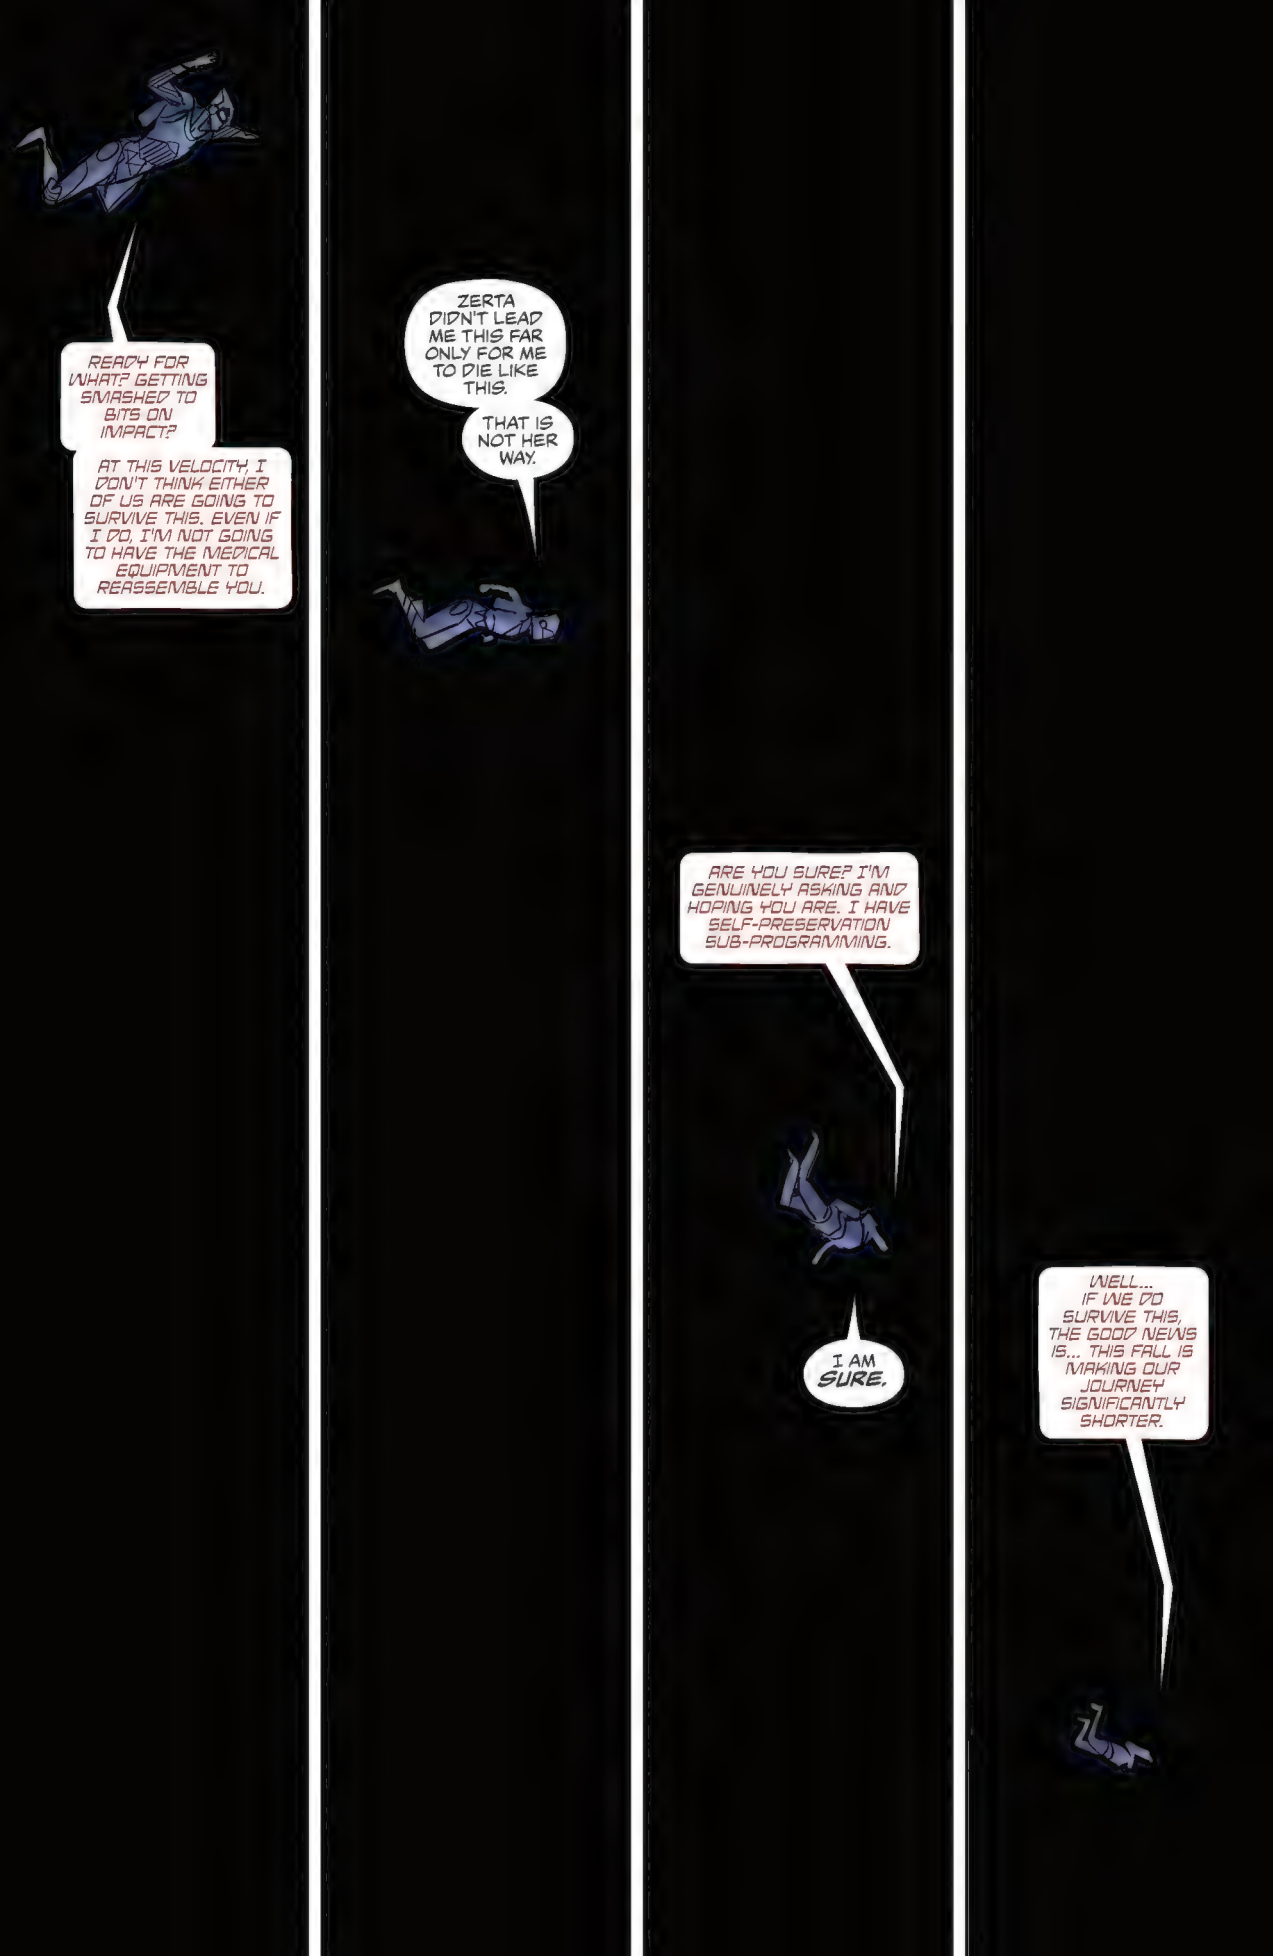
OKAY, SO I DIDN'T TELL YOU EVERYTHING.
WHY DID YOU THINK I WAS SO SURE HE WAS AN ALLY?

SPRINGER!

GREAT TO SEE YOU, KID! YOU MUST HAVE GONE THROUGH AN AWFUL LOT TO FIND ME ALL THE WAY OUT HERE.
BUDDY, YOU HAVE NO IDEA.
I CAN'T WAIT TO TELL YOU ALL ABOUT IT.

THINGS WERE ONLY GETTING WORSE WHEN I LEFT CYBERTRON. DID YOU FIND THE SOURCE OF ENERGON YOU WERE LOOKING FOR?
I DID, BUT I GOT STUCK HERE AND... WELL... IT'S COMPLICATED. I DON'T THINK WE'RE GOING TO GET MUCH USE OUT OF THIS TECHNOLOGY WITH OUR CURRENT LACK OF RESOURCES.
ARE THEY STILL AIMING GUNS AT US?
THE LITTLE LOUD GUY WILL HANDLE IT. HE'S COOL.
SPAK
HEY!
NOT OKAY!
STAND DOWN! I MEAN IT!
THE GIANT, SCARY ROBOTS ARE FRIENDLY!
I PROMISE!

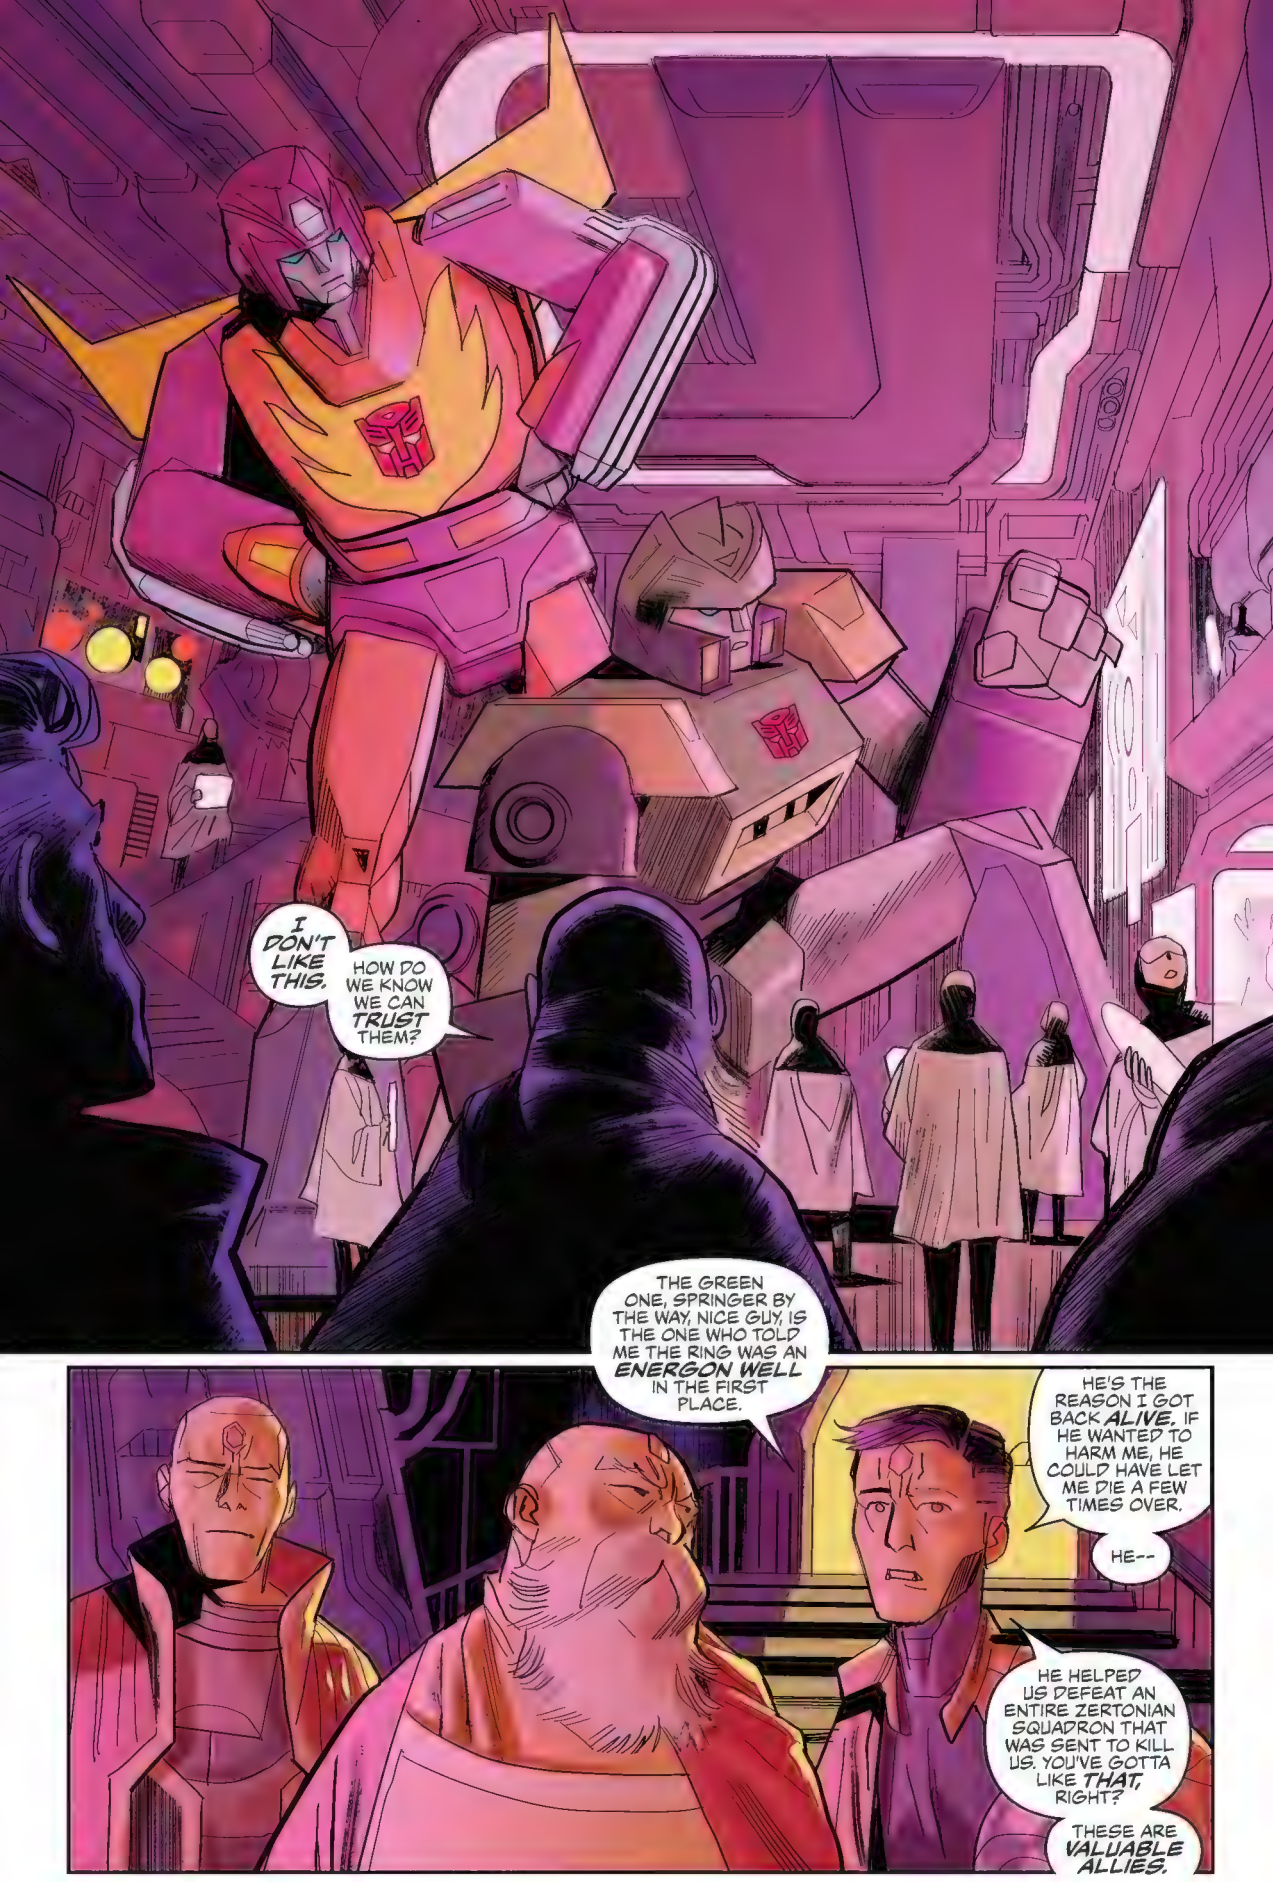
THIS IS GETTING A LITTLE RIDICULOUS.
WE'VE BEEN FALLING FOR A WHILE.
WE COULD HIT BOTTOM AT ANY MOMENT. BE READY!



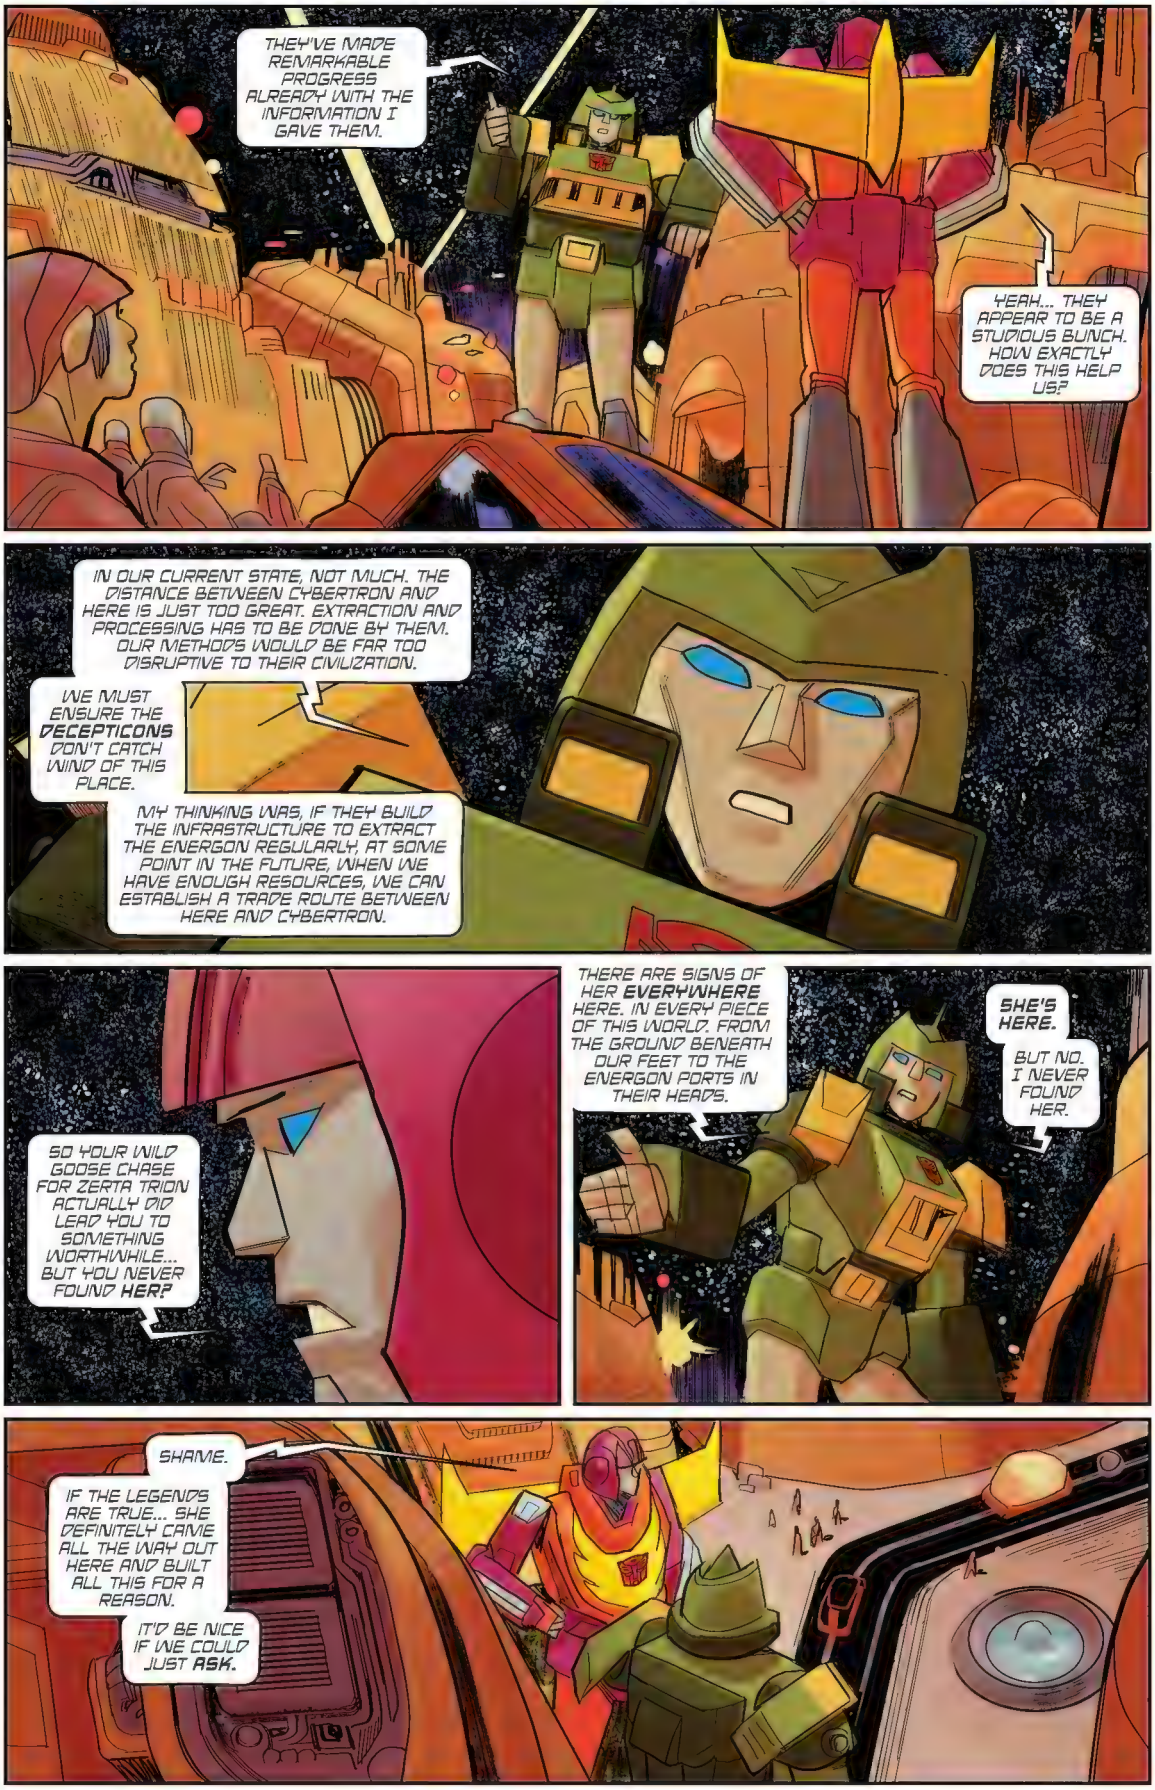
READY FOR WHAT? GETTING SMASHED TO BITS ON IMPACT?
AT THIS VELOCITY, I DON'T THINK EITHER OF US ARE GOING TO SURVIVE THIS. EVEN IF I DO, I'M NOT GOING TO HAVE THE MEDICAL EQUIPMENT TO REASSEMBLE YOU.
ZERTA DIDN'T LEAD ME THIS FAR ONLY FOR ME TO DIE LIKE THIS.
THAT IS NOT HER WAY.
ARE YOU SURE? I'M GENUINELY ASKING AND HOPING YOU ARE. I HAVE SELF-PRESERVATION SUB-PROGRAMMING.
I AM SURE.
WELL... IF WE DO SURVIVE THIS, THE GOOD NEWS IS... THIS FALL IS MAKING OUR JOURNEY SIGNIFICANTLY SHORTER.

I'VE DETECTED AN UNUSUAL ENERGY FLUCTUATION.
YES. ZERTA PROVIDES.
IT WOULD APPEAR SO.
TEK

THE KEY.
IT WILL LIGHT THE WAY.
YOU KNOW... I'M JUST GOING TO GO SILENT FOR A MOMENT.
NOTHING MAKES SENSE TO ME ANYMORE.
WOW.



I DON'T LIKE THIS.
HOW DO WE KNOW WE CAN TRUST THEM?
THE GREEN ONE, SPRINGER BY THE WAY, NICE GUY, IS THE ONE WHO TOLD ME THE RING WAS AN ENERGON WELL IN THE FIRST PLACE.
HE'S THE REASON I GOT BACK ALIVE. IF HE WANTED TO HARM ME, HE COULD HAVE LET ME DIE A FEW TIMES OVER.
HE--
HE HELPED US DEFEAT AN ENTIRE ZERTONIAN SQUADRON THAT WAS SENT TO KILL US. YOU'VE GOTTA LIKE THAT, RIGHT?
THESE ARE VALUABLE ALLIES.



THEY'VE MADE REMARKABLE PROGRESS ALREADY WITH THE INFORMATION I GAVE THEM.
YEAH... THEY APPEAR TO BE A STUDIOUS BUNCH. HOW EXACTLY DOES THIS HELP US?
IN OUR CURRENT STATE, NOT MUCH. THE DISTANCE BETWEEN CYBERTRON AND HERE IS JUST TOO GREAT. EXTRACTION AND PROCESSING HAS TO BE DONE BY THEM. OUR METHODS WOULD BE FAR TOO DISRUPTIVE TO THEIR CIVILIZATION.
WE MUST ENSURE THE DECEPTICONS DON'T CATCH WIND OF THIS PLACE.
MY THINKING WAS, IF THEY BUILD THE INFRASTRUCTURE TO EXTRACT THE ENERGON REGULARLY, AT SOME POINT IN THE FUTURE, WHEN WE HAVE ENOUGH RESOURCES, WE CAN ESTABLISH A TRADE ROUTE BETWEEN HERE AND CYBERTRON.
SO YOUR WILD GOOSE CHASE FOR ZERTA TRION ACTUALLY DID LEAD YOU TO SOMETHING WORTHWHILE... BUT YOU NEVER FOUND HER?
THERE ARE SIGNS OF HER EVERYWHERE HERE. IN EVERY PIECE OF THIS WORLD. FROM THE GROUND BENEATH OUR FEET TO THE ENERGON PORTS IN THEIR HEADS.
SHE'S HERE.
BUT NO. I NEVER FOUND HER.
SHAME.
IF THE LEGENDS ARE TRUE... SHE DEFINITELY CAME ALL THE WAY OUT HERE AND BUILT ALL THIS FOR A REASON.
IT'D BE NICE IF WE COULD JUST ASK.

EXCELLENT WORK, HANDROID.
THANK YOU, PILOT.
MY THINGS... THAT I BROUGHT HERE.
DO YOU KNOW WHERE THEY ARE?
...
HAVE YOU ALREADY MADE CONTACT WITH KANELA?
NOT HERE.
YOUR FATHER HAS EYES AND EARS EVERYWHERE.

ZERTONIA.

MISTER PROMIXUS, SIR?
YES?
HOW MUCH LONGER?

NOT LONG.

HOW ABOUT NOW?

ULTUM, I HAVE TO HURRY BEFORE OUR PRESENCE HERE IS DETECTED. YOU'RE BREAKING MY CONCENTRATION AND SLOWING ME DOWN.
IF YOU DO NOT CEASE ASKING ME FOR UPDATES, AS SOON AS I'M DONE REBUILDING MY ARM AND MY LEG... I MAY JUST KILL YOU.
I AM FINDING YOU EXTREMELY ANNOYING.

OKAY, SIR.
SORRY, SIR.

DEEP WITHIN THE RING.
I DON'T LIKE THIS.
NOT EXACTLY A PICNIC FOR ME, EITHER.
I DETECT NOTHING. NOT THE SURFACE YOU'RE WALKING ON, NOTHING AROUND US. IT'S AS IF IT'S... TOO ADVANCED FOR ME TO DETECT.
WAIT... UP AHEAD. CAN YOU SEE THAT?
I CAN.
INTERESTING.
I SWEAR, IF WE FALL AGAIN I'M GOING TO--

I AM VECTOR THETA.
BEFORE THE SACRED RING WAS, I WAS.
WHO REACTIVATES ME?

TALK TO THE HANDROID

SEND YOUR QUESTIONS TO VOIDRIVALS@SKYBOUND.COM

Greetings! I hope all of you are enjoying a safe, happy holidays and loved our gift of a reunited Hot Rod and Springer! Seeing those guys back together is the best. Editor Ben Abernathy joining you once again with the architect of awesome, Robert Kirkman!

That's a title I can get behind! That's way better than the mean guy who won't let Josh Williamson introduce 5 new characters in each issue of G.I. JOE. I'll take it!

Well, the Energon Universe is going strong, and for now at least, finally complete with the launch of G.I. JOE from Joshua Williamson and Tom Reilly. Our three series line will be chugging along at this manageable size for the foreseeable future. So, if you're enjoying Pythona and her Royal Guard in these pages, those are G.I. JOE characters and you may just end up loving that book as well. All three books (do I have to say the other is TRANSFORMERS) have cool connections and entanglements that will enhance the reading experience of each. So, if you're not reading all three books, consider it!

That said, VOID RIVALS will continue to be a viable stand-alone read if you prefer things that way. I won't judge!

Again, things couldn't be going better in this corner of the Skybound empire so thanks so much for the support. We're all having a blast!

Speaking of having a blast, let's check in with you fine folks and dive into the old mailbag!

. . . . . .

Void Rivals Team,

Wow! Just finished issue #13 and it ranks as one of the best issues in the run so far! I loved the 5 different plot lines running concurrently and building suspense. I loved the startling and gripping first few pages especially. I had forgotten all about Cobra-La and Pythona. What a reintroduction. This issue was just so good! I genuinely can't wait for the next one!

Kirkman, your writing some absolutely wonderful stuff here! Keep cooking!

De Felici, your artwork is just...*chef's kiss*

Depeche, your colors are so perfect and set the mood of this book so well!

Keep up the great work, all! I love seeing this comic come out each month!

Bob Stalnaker, Ohio

Thank you for the warm letter, Bob, and the shoutouts to a very deserving group of creators...so much hard work goes into every issue, it's always such a joy to have the issue hit the stands. Although, let's not forget the contribution of the amazing Rus Wooton on the lettering. He delivers nothing short of spectacular with every issue and he does so with humor and professionalism. An unsung hero if there ever was one!

Rus Wooton letters ALL The Energon Universe books, and so many other books from myself and Skybound. He's the backbone of our whole line of books!

. . . . . .

Hello Ben and Robert,
For starters I just want to thank the entire EU team for getting me

back into comic collecting! I feel like a little kid again watching the old Transformers and G.I. Joe cartoons with my dad. Void Rivals has found a place in my heart right next to those memories and each new release has become a highlight of my month!

Awesome to hear that!

By far my favorite piece of the EU is the long-awaited return of Cobra-La, the coolest thing six-year-old me had ever seen. I couldn't be happier to see you and Joshua Williamson embrace the creepiest faction in Joe lore so readily and I can't wait to see what you have planned for them in Void Rivals, which leads me to my question...

In VR #13, Pythona laments the fact that her search party has yet to discover any signs of life, is this Cobra-La's first manned mission into space? And if so, did Pythona and her troops stop by any other planet or moons on their way to the planetoid our heroes were stranded on?

Anyway, keep up the good work! I hope you have as much fun writing these stories as I do reading them.

Ryan, Winnipeg, MB

Thank you for writing in, Ryan and you're welcome for getting you back into comic collecting haha. Seriously, though, it's great to have you along for the ride and I genuinely love how meaningful Cobra-La is to so many readers. I'll admit, I wasn't the biggest fan of that aspect of the animated movie/cartoon as a kid but the work Joshua Williamson and Andrea Milana did on COBRA COMMANDER won be over...and Pythona is one SCARY villain!

Okay, Ryan... I'll try to answer your question without spoiling things. I won't say whether or not this is Cobra-La's first space mission. They've been around for tens of thousands of years, and they DID know the Leviathan was a space worthy vessel, so... anyway. I'd wager this is definitely the furthest out they've ventured, at least in recent times. The main purpose of that dialogue was to have Pythona remark on that rarity of organic life in space. Now, we see with Monocus and Lord Gyconi, Bosch, Slizardo and Skuxxoid that there are definitely organic aliens out there, but so much of what we see in the Transformers universe is technology based inorganic life forms. It definitely seems to be the majority. That's something Pythona is going to have to contend with during her adventure into the cosmos.

Thanks for writing!

And that's a wrap for the year on VOID RIVALS. As Robert mentioned at the top of the column, the Energon Universe is going strong and we've been fortunate enough to have a lot to celebrate this calendar year. Everything from record-breaking launches, to chart shattering reprints, to Eisner wins and all the conventions in between...I want to extend a great big THANK YOU to the fans, retailers, and everyone in our corner. It means the world! And please keep the letters rolling in--we would love to hear from all of you!

From the creators, our partners at Hasbro and everyone here at Skybound, let's end 2024 with celebration, respect, and love... and perhaps a re-read of VOID RIVALS #1-15 to get you ready for the senses-shattering #16 in January!

-Ben
